## SKYLINE BOOSTER CLUB FOOTBALL

The Skyline Football Booster club was formed in July of 2020, in the midst of the pandemic, to support getting our student athletes back on the field and training in a safe and healthy manner. What started as a single objective has grown to be the primary voluntary support mechanism for Skyline High School Football.

Led by parent volunteers, we are committed to open and transparent communication. We pledge to support our collective community, students, student athletes, coaches, and parents. We strive to create an environment where we join together to enhance the Skyline football experience for all parties.

The Skyline FBC continues to seek individuals who are like minded in the community to support our efforts. If you would like to join our team please contact us at [skylinefbc@gmail.com](mailto:skylinefbc@gmail.com) for opportunities.

## SKYLINE HIGH SCHOOL FOOTBALL

**Cameron Elisara**  
Head Coach

Skyline Football Family,

As we enter this season I reflect on the months of preparation "Team 25" has put in. Just a few weeks after last year's abbreviated season, more than half of our players sacrificed sleeping in to get in the weight room before school. "Team 24" created the team motto of "Restore the Brotherhood" and I believe they would be proud of how "Team 25" has absorbed that lesson and collectively carved their own path. In June, we spent a week polishing our team procedures and schematics in preparation for summer camp. Camp is a great opportunity to get an initial read on what a new team is capable of. Our players were tasked with bouncing back from a short offseason and enduring record-high heat, all while facing some of the best opponents in the area...ideal conditions for coachable moments. I learned that "Team 25" can endure challenges, unify in coachable moments, and find the collective strength to overcome. "Team 25" carried the momentum from camp directly into summer workouts. Players built the body armor to go into full season while organizing times to come together and hone their football skills. What impressed me most was the consistent, positive energy I observed in the weight room. Players were cheering each other on, challenging one another, celebrating each other, and becoming a stronger team. I gained a deeper confidence that this team was ready for the season. After camp I told the team that a competitive edge is developed in the off-season. I am excited for the team to see the fruits of their labor. Our coaching staff has been preparing to stoke the fire that "Team 25" has built in the offseason. It took a community to get the program to where it is and now is the time for the community to cheer us on and enjoy the game!

**Keith Henning**  
Principal

Spartan Fans...I would like to take this opportunity to welcome you to another exciting sports season at Skyline High School. As our school and athletic program continues to grow, we set our sights on yet another successful sports season. However, success does not just happen - it is a result of many people working together to benefit our student-athletes. Whether you are a parent, community member, Skyline staff, coach, or family member, I thank you in advance for your continued positive support in making Skyline a GREAT school. Together, we can continue to make a difference!

As you enjoy the athletic contest, please keep in mind that sportsmanship is a critical component to the success of any event. As a school and an athletic department, we expect our student-athletes to be leaders in the areas of achievement and sportsmanship in the classroom, on the field, and in the bleachers. Please join us in showing enthusiasm for our teams by cheering for their efforts rather than criticizing our opponents or the officials. We hope you enjoy your time watching Skyline athletics and thank you for your continued support of our school and athletic programs. Our staff, coaches, and student-athletes work extremely hard, and we hope to see you at another contest soon.  
**GO SPARTANS!**

**Brent Kawaguchi**  
Athletic Director

Spartans,

Thank you for your continued support of Skyline Athletics. The Fall Sports season is here and I have seen all the teams hard at work practicing which increases their commitment and dedication to their teams. I know they are excited to have the games begin. COVID has not dampened any enthusiasm the student-athletes have for the up-coming season. I appreciate the amount of Skyline's students and their involvement in the many activities Skyline has to offer. Student involvement in any activity, sport, or club is an important part of the culture at Skyline and I am excited to be a part of this outstanding school. While attending athletic events, please show your Spartan Pride by positively supporting the student-athletes and respecting the opponents and officials. Please continue to adhere to the constantly changing COVID stadium spectator protocols. Your support of Skyline High School is appreciated and valued. Have a great season.

Youth Night - Halftime Event for all Spartan Youth Football

Youth Varsity Team - Friday, October 22nd - vs. North Creek

"This was one of the highlights of the season so far, the varsity players stayed our whole practice and led a number of drills, the kids were so pumped. Great connectivity in the program."

~Coach Jeff Dunbar

"The high school players were great! They hopped right into the drills and had fun with the kids. They created a good energy for the whole practice."

~Coach Tom Mohr

"Having the high school players hand out jerseys was fantastic and one of the best things we have done to unite our Skyline football community. The high school kids did a great job speaking about the friendships and camaraderie they have developed through the game of football which was a powerful message for the younger kids."

Great idea and thanks for putting this together!"

~Coach Brent Hixson

The Skyline FBC and our high school coaches feel it is extremely important to give back to our community. This year we have asked high school players to serve as football mentors to our youth players. It is their job to lead by example both on and off the field and to share their love for the game and brotherhood throughout the season. While all our high school players cheer for and support our youth teams, the following Spartans have been named mentors for the 2021 season.

~Thank you ~

You have accomplished so much with your Skyline Cheer squad, from multiple first place finishes during competition season to your first state championship. Your dedication, hard work and perseverance shines in the sport you love. Throughout the years in the Cheer program, your self-confidence has grown along with your natural leadership abilities. It's come full circle as you continue to coach Youth Cheer in your senior year. We are so proud of you and can't wait to see what you will accomplish in the future! We love you very much. Mom, Dad, and Brayden

Lita, I turned on classical music day and night all through my pregnancy with you. When you were two and a half, I dressed you up with princess fluffy dresses. You kept turning and turning and told me you wanted to do ballet. Since then, ballet has become your passion, now dancing in general. You enjoy dancing anywhere and anytime. We have fun watching you dance around the house. We will miss it when you go off to college. With all of your ballet and dance performances and practices through the years, you have shown your accomplishment to dance in some of the ballet lead roles for the studio. You made us so proud when you won the 2nd place WA state winner and received the Award of Excellence for the PTA Reflections under Dance Choreography category for 2016-17. You had a dream to be a part to show the school spirit, the Skyline Dance Team. And you did it! Go Spartan! We have never been more proud of you.

We are particularly proud of you on how you have taken on all the opportunities in front of you and seized them. It is a great preparation for what is to come. All the best for you and we love you to moon and back! Mom, Dad, Diego & Mateo
